Service to the Town of Sanbornton and the State of New
Hampshire.**

ROBERT A. YEATON

Robert Alvah Yeaton, was born in Northwood, Vermont, November 5, 1888. He was married to Blanche Etta Merrill in Sanbornton Square by the Rev. Charles Davis, July 3, 1927.

Since settling in Sanbornton "Rob" has served his Town as Road Agent from 1935 to 1944 and for a while thereafter. Often through the years the State Highway Department engaged his services.

Robert Yeaton is a veteran of World War I. On one detail he drove a team of mules and took President Wilson for a ride.

The townspeople of Sanbornton are grateful for his assistance in helping us provide our Town with good roads. We wish him many more fruitful years.

Selectmen's Summary & Recommendations

ROADS

During the past year one mile of new road-way now known as Hermit Lake Road, was constructed at the Hermit Lake Woods project and to Mr. Robert Gilman and his department, congratulations for the fine lay-out, which adds so much to the attractiveness of this development.

Sanbornton and Tilton T. R. A. money was spent to widen and gravel March Road. This year we plan to black top March Road and any balance of funds, will be used toward the rebuilding of Collison Road. A portion of the Duncan Fund money was spent to improve Johnson Barn Road—not yet completed.

With the twelve thousand dollars (\$12,000.00) the Town and State Funds accumulated during the past four years the State and Town Highway Departments widened and rebuilt a section of Steele Hill Road—known as Brown Ash Hill—and part of Upper Bay Road near the Town Sheds.

TOWN OWNED LAND

The New Hampshire Water Resources Board has accepted title to the Hermit Lake Dam and Dike. The Hermit Lake Development has progressed to the satisfaction of all concerned—a financial report will be found on another page. The Selectmen hope to have a survey made of the Lake Winnisquam property so that lots will be available for sale this year.

TOWN HALL

The new heating system has been installed by Mr. Maheux from Laconia. Mr. Leon Griffin leveled the floor as

much as could safely be done and repaired or replaced the supports as was necessary.

DUMP

The Town Dump was open every Saturday and some Fridays from May to October. A report on a new dump site will be presented at Town Meeting.

The Selectmen recommended that the Town seriously take under consideration the establishment of a permanent Office in the Town Hall for the Town Clerk and Tax Collector and at the same time provide a suitable place for the safe keeping of all Town Records.

The Selectmen wish to thank all other Town Officers—the various Town Committees and all the people of Sanbornton for their whole hearted co-operation and assistance during the past year.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities) increased by \$2,410.80, from \$12,722.64 to \$15,133.44, in 1960, as shown herewith:

	Dec. 31, 1959	Dec. 31, 1960
Total Assets	\$49,470.53	\$57,854.82
Current Liabilities	36,747.89	42,721.38
	<hr/>	<hr/>
Current Surplus	\$12,722.64	\$15,133.44

Unredeemed Taxes—Prior Years:

It is noted that there are unredeemed taxes from tax sales on account of the levies of 1957 and prior years as follows:

Levy of 1957	\$883.21
Levy of 1956	357.02
Levy of 1955	91.95
Levy of 1954	86.10
Levy of 1953	79.35
Levy of 1952	73.71
Levy of 1951	57.58
	<hr/>
	\$1,628.92

Inasmuch as the two year period in which redemptions may be made has elapsed in all of these cases, the Tax Collector should issue deeds to the Town on all properties represented by these unredeemed tax liens.

Conclusion:

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Sanbornton for their assistance during the course of the audit.

Yours very truly,

SANBORNTON FIRE DEPARTMENT

Through regular meetings and outside instruction we are constantly striving to make our Fire Department more effective. Many small improvements have been made to the equipment by the Firemen. One hundred feet of booster hose have been purchased.

By vote of the members we are setting aside the money earned by the Department with a small amount from our appropriation as a Radio Fund. This Radio will be installed in the Fire Truck and tuned to the Laconia frequency, thus tying us in more closely with the Mutual Aid System.

We are inserting an article in the Town Warrant for a sum of \$500, this amount to be placed in the Building Fund.

During 1960 we responded to ten fires in town and four Mutual Aid calls.

We gratefully acknowledge gifts received and the valuable assistance of the Lakes Region Mutual Fire Aid Association.

Respectfully submitted,

GEORGE S. CURRIER, *Chief*

PREVENTION IS YOUR BUSINESS

Carelessness, HUMAN CARELESSNESS, causes 9 out of 10 forest fires. Each year 200,000 fires burn over 30 million acres in the United States. This represents 5 per cent of our nation's woodlands being wasted each year. Every fire takes its toll. Floods follow; stream flow is affected; timber, buildings, grazing and wildlife are destroyed—all because MANY are CARELESS with fire in and near woodland. This can be remedied. YOU can put an end to this shameful waste! PREVENTION is YOUR business!

YOU, whether YOU be a farmer, homemaker, business or professional man or woman, municipal, state or federal official, clerk or woodsman can play an important part in the continuing and vital prevention program.

First—by setting a good example YOURSELF—being sensible and complying with the necessary laws and regulations governing the use of fire in and near woodlands.

Second—by using YOUR individual influence in your community and valued council with others in insisting and encouraging them to do likewise.

The following simple rules may be used as a guide both for YOU and for them.

1. Before burning, secure a permit from your local forest fire warden—the law requires it.
2. Be sure to properly supervise your burning—don't leave it.
3. Make certain your fire, camp or debris, is DEAD OUT before leaving it.
4. Don't throw down lighted matches, cigars and cigarettes or from moving vehicles—make sure they are out—use your ash tray.
5. Don't burn at home—use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires 2

Number of acres burned $8\frac{1}{4}$

Number of permits issued 109

CIVIL DEFENSE REPORT

We are planning a Civil Defense meeting for all residents of Sanbornton to be held shortly after Town Meeting. We hope all will attend and learn of the new developments in Civil Defense.

Through Surplus Properties system we purchased many useful articles for emergency use and for the Police Department. We replaced our 5KW D.C. Generator with a 5KW A.C. Generator. Through the kindness and generosity of William Harper this unit is in excellent condition and ready for use.

We are asking for an appropriation of \$100 to be used for Surplus Properties if needed.

Respectfully submitted,

GEORGE S. CURRIER,

Civil Defense Director

SANBORNTON PUBLIC LIBRARY

7,969 books were circulated from the Sanbornton Public Library during 1960, of which 7,002 were loaned to children and 967 to adults. 216 books were added, 134 for children and 82 for adults. We have received gifts of 21 books.

Two magazine racks, much needed and useful additions to our equipment, have been installed, and a Reader's Guide has been made accessible.

We are grateful to the Congregational Church School, the Women's Union and the Historical Society for contributions for the purchase of books, and to individuals who have given books and magazines, or have helped in any way to make our Library and its facilities of greater value to the public.

Please visit our Library and browse around. You will find books on many subjects, some of which will be of special interest to you.

The Library is open on Wednesdays from 12:30 to 4:00 and on Thursdays from 10:30 to 11:30.

Respectfully submitted,

REPORT OF THE PLANNING BOARD FOR THE YEAR 1960

Prior to the Special Town Meeting on May 7, 1960 the Board spent considerable time with the Selectmen in consideration of the desirability of the purchase of the Marchand property on Lake Winnisquam.

We recommended the action which was taken by the Town at that meeting, which made accessible to the townspeople about 200 ft. of shore line. Included in the purchase was a tract of land of about 55 acres west of the shore above mentioned. This was to be developed as the Town might later decide.

The Board worked with the selectmen in planning a road into the proposed public picnic area at Hermit Lake.

We approve of the allocation of the balance of the T. R. A. road money for 1961 to the Collieson Road. This is in line with our policy of making the future transportation of scholars more efficient and also because of the new housing development in this area.

We have worked with the School Board on the problem of providing for the increased enrollment of scholars in Sanbornton.

We thank the Selectmen for their cooperation and the townspeople for their support.

SUPERINTENDENT'S ANNUAL REPORT

*To the Board of Education and Citizens of the
Sanbornton School District*

I herewith submit my second annual report as your Superintendent of Schools.

Personnel

Mrs. Elvis Belser and Miss Flora Gomo left the Sanbornton School System at the close of the 1959-1960 school year.

Mrs. Pauline Hodgkins, a graduate of Plymouth Teachers College with a Bachelor of Education Degree, replaced Mrs. Belser. Mrs. Hodgkins has had six years teaching experience in the Tilton School System.

Miss Sylvia Robie, also a graduate of Plymouth Teachers College in 1960 with a Bachelor of Education Degree, replaced Miss Gomo as third grade teacher.

The following shows the assignment of teachers for the 1960-1961 school year:

Grade 1	Mrs. Pelletier	21 pupils
Grade 2	Mrs. Brazil	26 pupils
Grade 3	Miss Robie	27 pupils
Grade 4	Mrs. Corliss	27 pupils
Grades 5-6	Mrs. Hodgkins	33 pupils
Grade 7	Mr. Ribichaud	25 pupils
Grade 8	Mr. Benoit	16 pupils

The above enrollment gives a total of 175 pupils at the Sanbornton Central School. Since the opening of school, however, we have enrolled more pupils than have left us so that our total is now 183 pupils.

Curriculum

We are continuing the semi-departmentalized work in grades 7 and 8, and the use of the educational telecast from the University of New Hampshire. This year we are experimenting with the Conversational French program offered on channel 11 in grades 4 and 8. We are also using the TV primary music program.

Building

We are continuing to use the auditorium for one of our classrooms as last year. Since we have only 16 pupils in grade 8 this has not been a major handicap, however, the next class has 25 pupils which means more classroom furniture must be placed in this room. This extra furniture will reduce the room for cafeteria furniture and school lunch space.

We should reach a decision as to whether our school will be an elementary with grades 1-6 or 1-8 housed at the Central School so that we may make the necessary physical accommodations and curriculum arrangements to secure the best possible education for our pupils.

The total School Budget is up very little over last year. This year, however, there will not be the substantial surplus that was left a year ago so that the amount to be raised by the district will be increased substantially.

In closing I wish to express to you my appreciation for your support and help this past year.

HERMAN N. DONEGAN

REPORT OF THE PRINCIPAL

To the Sanbornton School District:

I herewith submit my annual report as principal of the Sanbornton Central School for the period 1960 to 1961.

The achievements of the school year were numerous—both scholastically and socially—climaxed by a memorable graduation that sent our eighth grade on to wider horizons. We were particularly proud to have had a Sanbornton youth, Michael Gilman, win a four year scholarship to Tilton School. This is the second consecutive year that Sanbornton has had this honor.

The school year, 1960-1961, opened on September 6th with an enrollment of 175 youngsters, and has steadily climbed to 184 at the time of this report.

We have been pleased with the results of educational television which we first took advantage of last year at this time. This year, in addition to the science and social studies programs, we are teaching fourth grade French and primary music to grades three and four.

Bouquets to Mrs. Hewitt and Mrs. Wilson for our outstanding Hot Lunch Program. Under their competent direction this phase of our school program is worthy of written applause. They have had to serve grades 5-8 at one sitting, followed by a second sitting for grades 1-4. Our monthly averages have been from 114 to 132 eating each day.

The Sanbornton P. T. A. has been active with many worthwhile projects benefiting the Sanbornton youth. Square dances have been sponsored by this organization under the guidance of Mr. and Mrs. John Barnes, who have given so unselfishly of their energy and time.

In closing, I wish to thank the Sanbornton School Board, the many faculty and staff members, and interested citizens who have given so freely their advice and assistance, making the year a memorable one.

Respectfully submitted,

Robert W. Benoit
Principal

REPORT OF THE SCHOOL NURSE

The school health program aims to help the pupils improve and maintain their own health and to take their share of responsibility, for the health of others. It encourages parents to have their children visit their personal physicians and dentists. It assists the families in the use of community resources for the corrections of defect and promotes and maintains a safe and healthful school environment.

The following is a digest of the major activities of the health program in the Sanbornton School during the past year.

In March 1960, a Tuberculin skin test was given to thirty-two new pupils and two teachers. All showed a negative reaction. Five positive reactions to a previous patch tests received their yearly x-ray at the Laconia and Franklin chest clinics.

During the month of September, the children were weighed and measured, classroom inspections were held to eliminate skin infections, pediculosis and children not meeting the New Hampshire smallpox vaccination law.

The pre-registration clinic was held during the month of May with thirteen children registering. At this time, the children were weighed, measured, a general physical inspection was given, as well as a vision and hearing test.

The early detection of hearing loss and the prompt administration of suitable treatment are requisites for a good hearing conservation program. In view of this fact, one hundred and ninety-eight pupils received the Puretone Hearing test and as a result, four children were found to have a hearing loss of ten percent or more in either or both ears. These children were checked by a physician and received the necessary treatment.

Since approximately fifteen percent of our school children have significant vision impairments, an efficient vision screening program becomes of considerable importance in the development of a total school health program. During the school year of 1959-1960, two hundred and fourteen pupils were checked with the Massachusetts Vision Testing Instrument. Children who do not perform satisfactorily at the testing levels are referred to their own eye specialist for a complete eye examination.

It is encouraging to note the number of children who have secured vision corrections as a result of our vision testing program.

Again this year we are grateful to the Sanbornton Parents-Teachers Association for the necessary funds with which to conduct our Dental clinic. Our dental hygienist this year was Mrs. Gretchen Reed, who cleaned and examined the teeth of seventy-four children. It has been my observation during the past year that a number of the children have received dental care.

Our health program is constantly aware of the relationship between proper diet and the development of strong muscles, good bone structure and other essentials of physical fitness. I am sure that the children are receiving all the necessary food elements in the hot lunches that are served at the Central School.

In addition to the above mentioned health services, conferences were held throughout the year with teachers, pupils and parents.

It is my pleasure at this time to extend my personal gratitude to all persons and organizations who have in any way contributed to the Sanbornton School Health program.

Respectfully submitted,

PRESERVE THIS REPORT

A sufficient number of these reports have been printed to furnish every interested citizen with a copy. An effort has been made to get them into the hands of the voters in advance. It should be borne in mind that if copies are left at home there may not be a sufficient number at the hall to go around on town meeting day. This year, or any year, it is desirable for you to have a copy of the annual report as soon as issued. It is also important for you to preserve it and bring it with you town meeting day.
